Shipping for **summer planting of Evergreens** opens about August 15. Pot-grown plants can be shipped and planted at all times.

ORDER.—Write plainly and give **explicit directions** as to address and mode of shipment; otherwise we will forward **according to our best judgment**. All goods travel at purchaser's risks. **We assume no responsibility for the goods after delivery to the forwarding companies.**

When losses occur by delays in delivery, claims should be made **at once on the forwarding companies.**

CLAIMS, to receive consideration, must be made **within ten (10) days of receipt of goods.**

While we exercise the greatest care to have all Trees, Shrubs and Plants genuine and reliable, and hold ourselves prepared to replace, on proper proof, all that prove untrue, **we do not give any warranty, expressed or implied;** and in case of an error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods. Beyond that we can give no further warranty, as we cannot control planting conditions, weather and after care.

Packing.—We take great care in packing, using damp moss to protect roots. **Boxes and bales are charged for at cost.**

Rates.—The prices in this list supersede all previous rates, and apply to quantities specified, but two hundred and fifty (250) will be furnished at the thousand rate, twenty-five (25) at the one hundred rate, and five (5) at the ten rate.
